

A bottom-up approach for the design and development  
of a joint Master Course in Cross-MEDia Journalism

# **ADMINISTRATIVE QUESTIONS**

**FOR THE ACTIVATION OF A FIRST LEVEL  
PROFESSIONAL MASTER COURSE IN CROSS-  
MEDIA JOURNALISM**

In order to fully understand the legal and administrative requirements needed for the activation of a first level professional Master course in cross-media journalism (120 ECTS) by each and all the Universities involved in eMEDia project, please answer to the following questions:

1. Has your University ever activated, in any field of study and at any level of the Bologna Process (I, II or III cycle) a joint degree or a double degree or a multiple degree?
  - a. If yes, please list them below, including a link (possibly in English) to gain information about them:  
\_\_\_\_\_  
\_\_\_\_\_
  - b. If not, please list below a few exempla of joint /double or multiple degrees in in any field of study activated by other Universities in your Country, including a link (possibly in English) to gain information about them:  
\_\_\_\_\_  
\_\_\_\_\_
2. Which are, in your University, the academic programs awarding 120 ECTS?
3. About each of the programs listed above (question n. 2) please do indicate:
  - a. Which of them gives access and which does not give access to a PHD program;
  - b. Which are the academic governing bodies (or in case the national governing bodies) in charge of their approval;
  - c. What are the annual deadlines for the program's approval and activation.
4. What requirements must a foreign student have in order to be enrolled at your University in a II cycle (i.e. post bachelor's degree) study program? What documents does he or she have to provide? Released by which authority?
5. How many hours of lessons does one (1) ECTS credit correspond to in your Country? And to how many hours of individual study? How many hours of lessons, individual study or other training activities (i.e. labs, internships, etc.) are requested by your University to award 60 ECTS?

Thank you!
